ABOUT THE AGED RIGHTS ADVOCACY SERVICE INC

The Aged Rights Advocacy Service (ARAS) is a free, confidential and state-wide service which has been supporting older people since 1990.

The service is accessed by older people or their representatives who are living in residential aged care, receiving Commonwealth Home Support Programme (CHSP) or Home Care Package (HCP) services, or who are at risk of, or experiencing abuse, from family or friends, or living in a retirement village.

ARAS is supported by funding from the Australian Government and Office for Ageing Well, SA Health and is the South Australian member of the Older Persons Advocacy Network (OPAN).

Our vision

A community in which all older people are valued and respected

Our values

Integrity, inclusiveness, justice, respect

Our mission

To encourage and support older people and community to uphold the rights of older people through information, education, advocacy and personal empowerment

ABOUT THE CONFERENCE

ARAS is proud to present its 15th World Elder Abuse Awareness Day (WEAAD) Conference **'Elder Abuse: Together we are better'** on Friday, 12th June 2020 at the Hilton Adelaide, Victoria Square, Adelaide South Australia.

ARAS has been raising awareness about elder abuse through its annual state WEAAD Conference since 2006 and in 2013 hosted the National WEAAD Conference in Adelaide.

Approximately 200 people participate in the annual Conference which consistently attracts high praise for its relevance and interesting subject matter and the calibre of its national and international speakers.

CONFERENCE THEME – TOGETHER WE ARE BETTER

The theme for the 2020 WEAAD Conference is “Together we are better”

We can all do our part to improve the overall wellbeing of older Australians. The support of family, friends and community services can assist an older person to retain control of their life, enhance their wellbeing and help them to remain independent and living at home. Through working together, we can also ensure older people are aware of the supports available and how to access them.

Together we are better!

- Together we are better in supporting older Australians experiencing abuse
- Together we are better in safeguarding older Australians from abuse
- Together we are better in providing a supportive environment so Australians have longer, healthier and more productive lives.
- Together we are better in developing new models of care to keep older Australians at the centre of innovation.

Our 2020 WEAAD Conference will focus on how government agencies, health and allied health professionals, service providers and advocacy groups can work together to deliver care and support services to older Australians, with quality and compassion.

WHAT IS WORLD ELDER ABUSE AWARENESS DAY?

The United Nations General Assembly designated June 15th as World Elder Abuse Awareness Day (WEAAD). It is the main day in the year when the world voices its opposition to the abuse and suffering inflicted on older people. In the Toronto Declaration on the Global Prevention of Elder Abuse (2002), the World Health Organisation (WHO) described ‘elder abuse’ in this way:

‘a single, or repeated act, or lack of appropriate action, occurring within any relationship where there is an expectation of trust which causes harm or distress to an older person. Elder abuse can take various forms such as physical, psychological or emotional, sexual and financial abuse. It can also be the result of intentional or unintentional neglect.’

2019 WEAD CONFERENCE
